Founder/Director
Watson Caring Science Institute

VENUE

FRANKFURT MARRIOTT HOTEL, GERMANY

Welcome to the most international city in Germany, the largest financial center on the continent, the historical city of coronations, the city of Goethe and the Frankfurt School. In brief, to the smallest metropolis in the world, in which there is a lot to discover at close hand. Whether this glance at the city's home page is the start of a longer, maybe even permanent, stay on the banks of the Main, or if, as a business visitor, you only have a limited amount of time available: you will find that the city has interesting offers for extensive tours of the city, cultural enjoyment and attractive shopping trips waiting for you.

Frankfurt am Main, the dynamic and international financial and trade fair city with the most imposing skyline in Germany. This is the image that many visitors associate with the Main metropolis. But the city in the heart of Germany and Europe can offer many other facets and contrasting variety. Near to the skyscrapers you can find cozy Ebbelwei pubs and at the heart of the bustling city center you can find historical sights again and again. Frankfurt is not just proud of its most famous son, Johann Wolfgang von Goethe. The Kaiser Dom (Cathedral) and the Paulskirche, the cradle of German democracy, are also to be found here. Interesting destinations for excursions in and around Frankfurt turn your stay into a great experience and you will love to come back.
